Property Report

- **This information has been computer generated from Tasman District Council records and has not been reviewed by Tasman District Council. It is provided for information only and while Tasman District Council takes all due care, it does not guarantee the accuracy or completeness of this information. It is not a Land Information Memorandum or property file and cannot be relied upon as such.**
- The use of this tool is subject to our Terms of Use.
- This Property Report has been produced at the issued date and is valid only as a statement of Council's information at that date.
- A valuation assessment can consist of multiple land parcels. The information in this report covers the entire valuation assessment. If you are only interested in part of the land, you must wait until the subdivision of the land is complete before we can provide information that applies only to the newly subdivided valuation assessment.
- Council records may not show illegal or unauthorised building works on the property.

Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.
