Property Report

- **This information has been computer generated from Tasman District Council records and has not been reviewed by Tasman District Council. It is provided for information only and while Tasman District Council takes all due care, it does not guarantee the accuracy or completeness of this information. It is not a Land Information Memorandum or property file and cannot be relied upon as such.**
- The use of this tool is subject to our Terms of Use.
- This Property Report has been produced at the issued date and is valid only as a statement of Council's information at that date.
- A valuation assessment can consist of multiple land parcels. The information in this report covers the entire valuation assessment. If you are only interested in part of the land, you must wait until the subdivision of the land is complete before we can provide information that applies only to the newly subdivided valuation assessment.
- Council records may not show illegal or unauthorised building works on the property.

Further Information

- A full Land Information Memorandum can be requested online
- We have a file of information on almost every property in the region. You can request a digital copy of the file. Our website has more information about viewing property files
- Additional spatial data is available at www.topofthesouthmaps.co.nz
- Other rules defined in the Tasman Resource Management Plan (TRMP) may also apply to this property. The TRMP is available online at www.tasman.govt.nz.

Planning Zones

The following Planning Zones pertain to this property. Please refer to the Tasman Resource Management Plan or contact a Duty Planner for detailed information about what activities can take place in a zone.

Zone	Zone Description
Rural 3	The Rural 3 Zone covers a specific part of the Coastal Tasman Area. This area contains some land of high productive value, generally the more coastal areas, as well as land of lesser productive value, generally the more inland areas. The Rural 3 Zone rules have been developed to accommodate a level of rural residential development while still protecting the most productive land.
