Planning Zones

The following Planning Zones pertain to this property. Please refer to the Tasman Resource Management Plan or contact a Duty Planner for detailed information about what activities can take place in a zone.

Zone	Zone Description
Rural 3	The Rural 3 Zone covers a specific part of the Coastal Tasman Area. This area contains some land of high productive value, generally the more coastal areas, as well as land of lesser productive value, generally the more inland areas. The Rural 3 Zone rules have been developed to accommodate a level of rural residential development while still protecting the most productive land.

Consents, Permits and Licences

Building Consents

Please note that if a Code Compliance Certificate has not been issued, it is strongly advised that the process is completed in order to confirm that the work is in compliance with the Building Code.

No Compliance Schedule records are available for this property.

Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.
