Property Report

- **This information has been computer generated from Tasman District Council records and has not been reviewed by Tasman District Council. It is provided for information only and while Tasman District Council takes all due care, it does not guarantee the accuracy or completeness of this information. It is not a Land Information Memorandum or property file and cannot be relied upon as such.**
- The use of this tool is subject to our Terms of Use.
- This Property Report has been produced at the issued date and is valid only as a statement of Council's information at that date.
- A valuation assessment can consist of multiple land parcels. The information in this report covers the entire valuation assessment. If you are only interested in part of the land, you must wait until the subdivision of the land is complete before we can provide information that applies only to the newly subdivided valuation assessment.
- Council records may not show illegal or unauthorised building works on the property.

Richmond Air Shed	After a house in Richmond changes ownership, an existing non-compliant wood burner cannot be used. It may be replaced with either a clean heat system or an approved clean air wood burner. New houses, or existing houses without an existing wood burner or open fire, can only install clean heat systems - no wood burners at all.

Planning Zones

The following Planning Zones pertain to this property. Please refer to the Tasman Resource Management Plan or contact a Duty Planner for detailed information about what activities can take place in a zone.

Zone	Zone Description
Mixed Business	The Mixed Business Zone is one of the primary zones for the provision of retail and office space and support services (for example, professional, health and social services). The Mixed Business Zone is characterised by the predominance of vehicle orientated activities, generally requiring larger areas of on-site parking, and large format retail activity.

Consents, Permits and Licences

Building Consents

Please note that if a Code Compliance Certificate has not been issued, it is strongly advised that the process is completed in order to confirm that the work is in compliance with the Building Code.

Compliance Schedule

No Compliance Schedule records are available for this property.

Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.

Date	Permit Number	Subject	Notes
19/08/1982	A18738	Add stucco to weatherboard	
15/03/1971	C019700	Extend dwelling
